### **Login and Registration Feature Screenshots:**

- **Login Page**

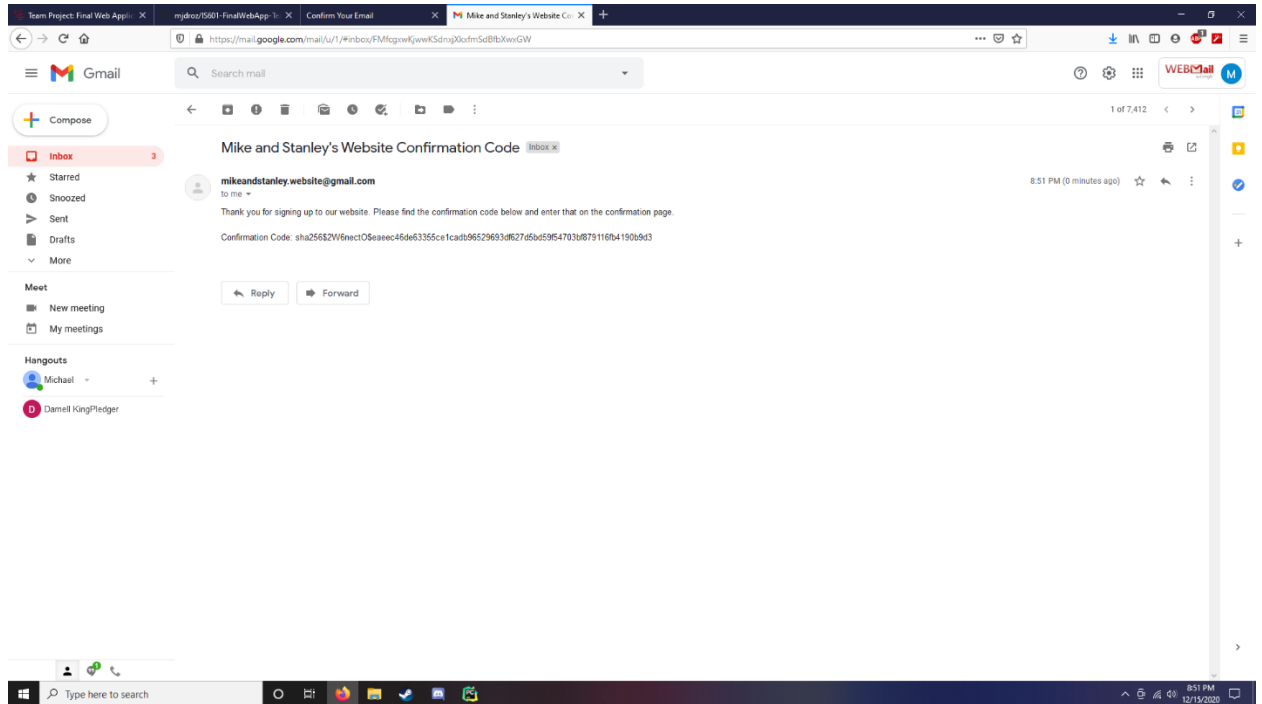

- **Registration Page**

The screenshot shows a web browser window with the title "Registration". The address bar displays "localhost:5000/register". The page content includes the heading "Register for New Account" followed by the label "Enter a Username". Below this is a text input field containing the text "michael". The next label is "Enter Email", followed by a text input field containing "mjd76@njit.edu". The label "Enter a Password" is followed by a password input field with three dots. Below that, the label "Confirm Password" is followed by another password input field with three dots. At the bottom of the form are two buttons: a blue "Register" button and a grey "Back to the Login Page" button. The Windows taskbar at the bottom shows the search bar, task view, and several application icons, with the system clock indicating 8:50 PM on 12/15/2020.

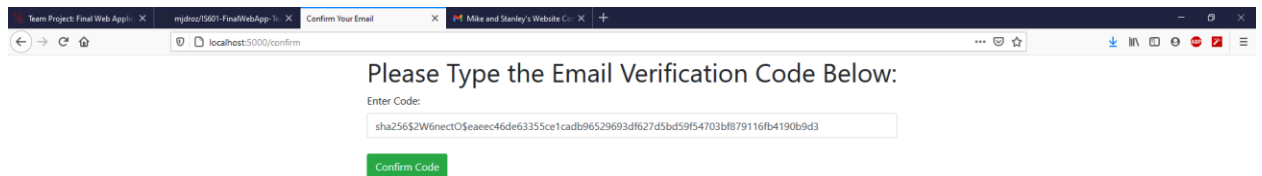

- **Confirmation Page**

The screenshot shows a web browser window with the title "Confirm Your Email". The address bar displays "localhost:5000/confirm". The page content includes the heading "Please Type the Email Verification Code Below:" followed by the label "Enter Code:". Below this is a text input field containing the text "Confirmation Code". At the bottom of the form is a green "Confirm Code" button. The Windows taskbar at the bottom shows the search bar, task view, and several application icons, with the system clock indicating 8:51 PM on 12/15/2020.

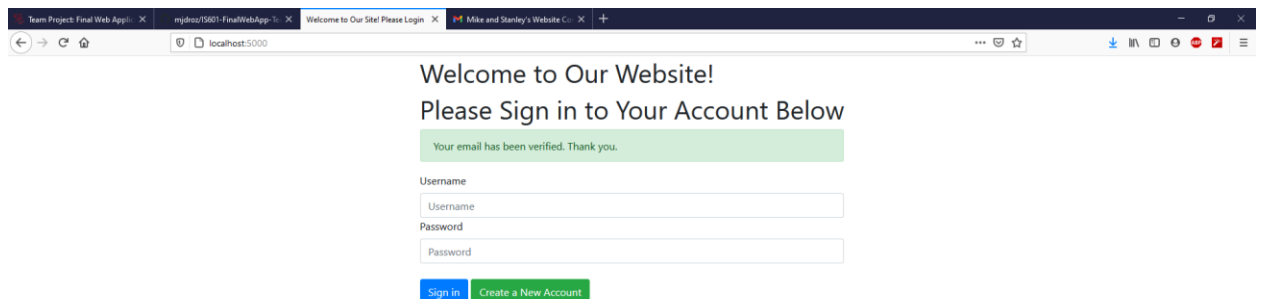

- **Confirmation Email**

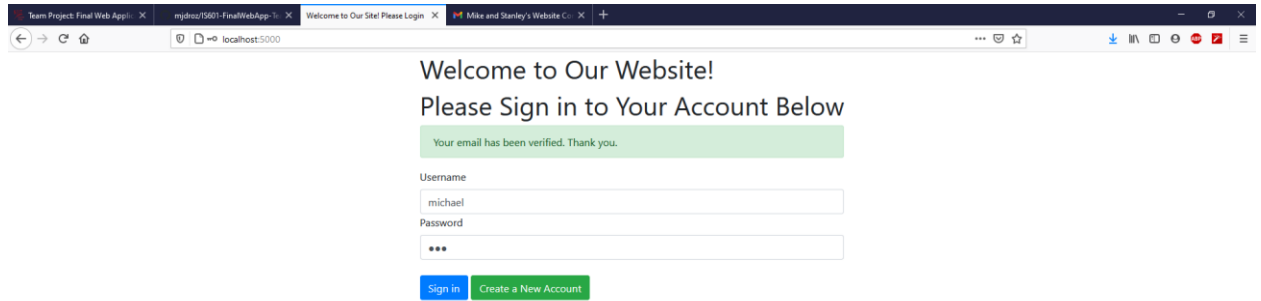

- **Entering the Confirmation Code**

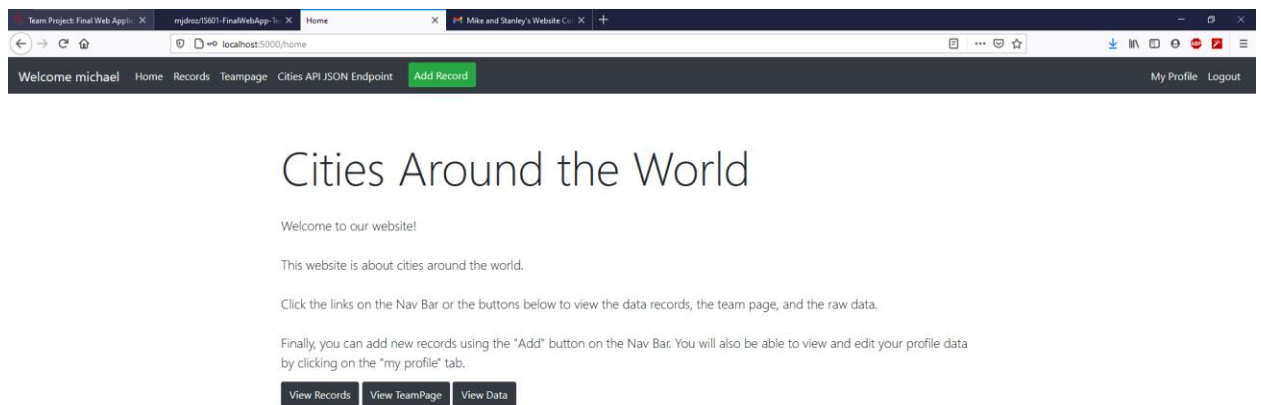

- **Account Email Verified and Account Confirmed**

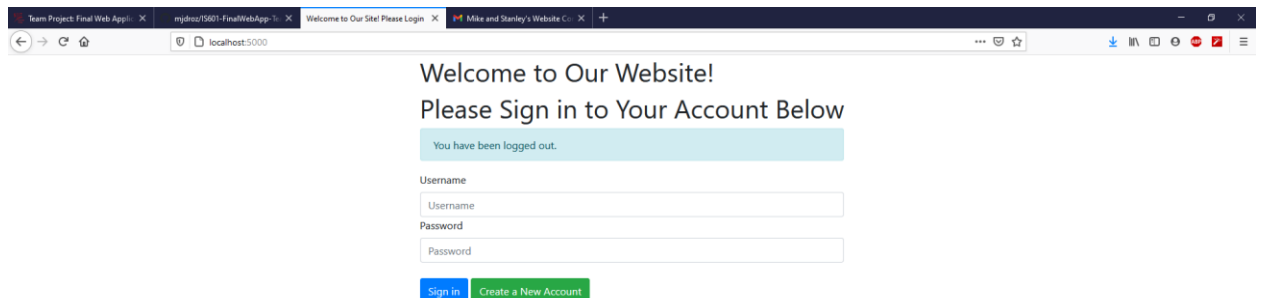

- **Before Login**

- **Successful Login**

- **Logging Out of the Website**

- This will show if you do not confirm your account or the username does not exist

The screenshot shows a web browser window with the address bar displaying 'localhost:5000'. The page content includes the heading 'Welcome to Our Website!' and the subheading 'Please Sign in to Your Account Below'. A pink error message box states: 'Account Not Confirmed, Please Register an Account and Confirm Your Email!'. Below this, there are input fields for 'Username' and 'Password', and two buttons: 'Sign in' (blue) and 'Create a New Account' (green).

- This will show if the password is incorrect for the username

The screenshot shows a web browser window with the address bar displaying 'localhost:5000'. The page content includes the heading 'Welcome to Our Website!' and the subheading 'Please Sign in to Your Account Below'. A pink error message box states: 'Login Failed, Try Again.'. Below this, there are input fields for 'Username' and 'Password', and two buttons: 'Sign in' (blue) and 'Create a New Account' (green).
